

Our Mission

The AGA Boston Chapter serves professionals in the government financial management community by providing quality education, fostering professional development, and participating in local community projects for the enhancement of everyone in the New England area.

We Work Together

Greetings fellow members to our November newsletter!

We had a successful October, including hosting a productive virtual Chapter executive committee meeting and a great virtual fraud seminar. Thank you to everyone who helped with the seminar. We cannot wait for the Chapter's first virtual webinar in November on internal controls.

Now more than ever, we need to work together and support each other. If you have questions, ideas, or just want to get involved with the Chapter, please reach out to Benjamin Howe at benjaminhowe@yahoo.com. Volunteering with the Chapter is a fun way to find out more about what is going on, meet fellow financial professionals, and help the Chapter be the best place it can be! Your opinions and thoughts count.

You can visit us at <https://www.agacgfm.org/Chapters/Boston-Chapter/Home.aspx> or on Facebook and LinkedIn. Watch these spaces for more information on future Chapter events.

Happy Thanksgiving and stay safe Chapter family!

Chapter Online Training Opportunities

The AGA Boston Chapter is pleased to announce a partnership with the Accounting Continuing Professional Education Network (ACPEN) to offer CPA-specific online training. The Chapter initiated this relationship because ACPEN is the largest provider of streaming video webinars for continuing education for CPAs in the U.S. ACPEN's CPA training sessions for September through December 2020 are now available for purchase on the Chapter's online library at <https://agaboston.ce21.com/>.

ACPEN webcasts are sponsored by the Business Professionals' Network, Inc. This network, which produces ACPEN programming, is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. For more information on ACPEN, please visit <https://www.acpen.com/>.

The AGA Boston Chapter is also still offering replays of all fall and winter seminars held since 2016. All sessions are available for replay each Thursday from September through December 2020. For more information and to register for these events, please visit our library at <https://agaboston.ce21.com/>.

Community Service

The Boston Chapter Community Service Committee would like to encourage our members and friends to sponsor a wreath for the Holiday Season through Wreaths Across America, a 501(c)(3) organization. Their mission, each December, is to place a wreath on every veteran's grave throughout the United States.

You can sponsor a balsam wreath, in honor of a living veteran or in memory of those family/friends that have passed away. You can sponsor a wreath in memory of a non-veteran, too.

Our Chapter selected the MA National Cemetery at Bourne to place our wreaths. The last day to order a wreath is November 30, 2020. All wreaths will be placed on graves on Saturday, December 19, 2020. It is only \$15 to sponsor a wreath.

Please visit their website to order wreaths:

<https://www.wreathsassamerica.org/MA0119>. You can also call 1-877-385-9504 to order wreaths (GROUP ID # MA0 119).

Corporate Sponsorship Program – THANKS to RSM & CLA

Our Boston Chapter would like to THANK RSM and CLA (CliftonLarsenAllen) for their partnership as a Gold Sponsor this past year. We greatly appreciate their patronage to aid our Chapter in serving professionals in the government financial management community by helping us provide quality education, foster professional development, and participate in local community projects for the enhancement of everyone in the New England area. Their staff has done a marvelous job in supporting our Education program by providing speakers for our education events. In addition, RSM and CLA have provided staff to assist our Chapter Executive Committee (CEC) to better serve its members. The Program goal is to have both the Chapter and the for-profit entity benefit from the partnership by working together to ensure each other's success. The firm gets visibility and access, branding with a respected organization, such as the Boston Chapter, and the opportunity to showcase their subject matter expertise. As we move forward to enhance our Corporate Sponsorship Program, we are always looking for new ideas to expand and improve the program. An enhanced program will help us to continue offering great educational programs and services by increasing non-dues revenue, increase and diversify our membership roster, attract new speakers, and enlist additional volunteers.

Please contact **Bill Muench** at william.muench@comcast.net or (508) 259-3382 to discuss any ideas you may have, or for more information about corporate partnership sponsor opportunities with the AGA Boston Chapter.
